Best product quality

According to a report by PART IT Reseller, **ActiveJet** is currently the most popular brand of alternative ink and toner cartridges in Poland (research results for the years 2012 and 2013). **ActiveJet** is renowned thanks to the quality of its inks and toners as well as other consumables and stationery products that the company has introduced on the Polish market. **ActiveJet** products have won many quality tests conducted by independent laboratories and have received many certificates, including GRCl, IPL RIT (Imaging Products Laboratory). **ActiveJet's** alternative consumables for printing devices are quality-certified (ISO 9001:2008 and ISO 14001:2004, issued by BSI Group Poland) and have the compliance certificate M+T issued by TÜV Rheinland Polska. To meet market expectations, our product range has been extended to include new groups of products: **ActiveJet Energy** and **Accessories**. **ActiveJet Energy** includes both energy-saving compact fluorescent lamps and LED lamps, alternatives to the traditional light sources.

ActiveJet has been awarded prizes for the quality of its products in a number of prestigious competitions:

- 2014** – Leader of the Decade, the Golden Ace of IT, Consumers' Leader in Quality, Customer's Laurel
- 2013** – Customer's Golden Laurel, Top Brand Award, Golden ACE of IT, Students' Brand of the Year, 1st position in the test of alternative ink cartridges carried out by PC World monthly
- 2012** – Consumers' Leader in Quality, Customer's Golden Laurel, Top Brand Award, 1st position in the test of alternative ink cartridges carried out by PC World monthly, Customer's Silver Laurel for ActiveJet's lighting products.
- 2011** – Customer's Golden Laurel, Top Brand Award, Polish Quality Award
