

Activejet®

WKS-120CPJ

Fan

Product colour	Black
AC input voltage	220-240 V
RoHS compliance	Y
Power source type	AC
On/off switch	Y
Manual	Y
Depth	230 mm
LED indicators	Y
Certification	CE, RoHS
Housing material	Plastic
Height adjustment	N
Cord length	1.5 m
Handle(s)	Y
Power plug type	Type E
Remote control included	Y
Control type	Buttons
Package width	230 mm
Number of speeds	3
Auto oscillating	Y
AC input frequency	50-60 Hz
Built-in display	Y
Ionic function	Y

Placement	Floor
Noise level	52 dB
Fan speed (max)	2400 RPM
Airflow	400 m ³ /h
Oscillation range	70°
Timer	Y
Timer duration (maximum)	12 h
Power consumption (typical)	60 W
Width	225 mm
Height	1215 mm
Weight	4.3 kg
Package type	Box
Number of motors	1
Type	Household tower fan
Display	LED
Package depth	230 mm
Package height	1220 mm
Specific features	The temperature measurements shown on the fan display may differ from the actual indications of professional weather stations
Specific features	Temperature measurement is not a basic function of the device and does not affect its operation
EAN	5901443111498
